ENTHUSIASTIC cook Katy Bull has spent the last three months realising an ambition to share her passion for food with the local community creating a series of popup restaurants and workshops with schoolchildren under the name Minno Kitchen.

Katy studied fine art at Birmingham University but came back to Somerset and now lives in West Chin- nock. She worked for Barnardos with an art club for people with learning difficulties and moved into community art projects.

Around 18 months ago she realised she wanted to pursue a career in food. After six months working part time and another year of running the railway carriage café at the Trading Post in Lopen, Katy gained the confidence she needed to branch out on her own and hasn't stopped since. With a prep kitchen in North Perrott she started out with a touring restaurant in local villages. Next she is heading to Crewkerne with an evening meal and live music on February 9th at the St Bartholomew's church hall and is about to start a regular Friday dining club at Hinton St George First School (www.minnokitchen.com)

60 seconds

● WHAT three things would you like on your desert island?

Lip balm, a snorkel and a flint to start a fire. My boyfriend recently brought one home and they are such a useful thing to have around, we have been having conversations about where would you take a flint.

● WHICH artists have inspired you?

My early inspiration was Escher and Picasso but whilst working as a participatory artist I made a lot of puppets and companies like Welfare State, Royal de Luxe and Handspring really influenced the way I worked.

● IF you could time travel where would you go?

I would definitely like to travel back not forward because I like the fact the future is unknown, that's the excitement of it. I'd like to watch the Mayan tribe trade in cacao beans.

● ARE you well-travelled?

Yes, I have travelled quite a bit and have been to the States but would like to go back there on a food journey and eat my way across the southern states. I'd also like to go to the Scandinavian Fjords and the Arctic Circle.

● HAS travel influenced your cooking?

New Zealand and Australia have a very inspirational approach to eating, it's so informal and social and they are big on going out to breakfast and brunches, big family groups all dining out together, it's great. I love the quick bites you get in places like Italy, they can sometimes be the best food.

● WHAT kind of music do you like?

My taste is varied but at the moment I like The Lumineers, I really like contemporary folk but have a history with rock music, Nine Inch Nails and Smashing Pumpkins. I also like Beyonce and a bit of reggae.

● WHY the change to cooking?

My love of food began because I love to eat. I love the flavours and colours of food combined with the social and cultural aspects of eating. I have worked in all kinds of eateries, from Michelin star restaurants to beach cafés and it really excited me to work with all the different people.

● WHAT is the concept of the pop up restaurants?

I want it to be really informal and convivial; my food all comes out on sharing platters because the act of sharing starts a dialogue. I want to set up a series of regular venues around the area and get people together over food.

● HOW did you come to be working with the school?

I had done some art work at Hinton so I know David the headteacher and the parents had been requesting hot school meals. It's an exciting vocational project, led by the school council who chose the name World Kitchen and every Friday we will travel to a different part of the world and try their cuisine. On Thursdays I will hold an out of school club where we will do food prep for the Friday meals.

● WHAT is your favourite meal?

That's a very difficult question, I'm led by what I fancy and the seasons. This time of year I like rich hearty foods and in the summer I love salads. I am always drawn to spices and like Mexican and Asian but I must say I always like a good burger too.

● WHO would you love to have around the dining table?

Picasso, Marilyn Monroe, Beyonce, Jay-Z and David Attenborough, that would make for an interesting dinner conversation.

Cooking up a storm for Rotary contest

EIGHT budding cooks entered the Crewkerne Rotary Club's Young Chef Competition last Friday, won by Tom Johnson, from Merriott.

Tom was the only entrant to have also taken part in last year's contest and will now go on to represent Crewkerne in the district final. He impressed the judges with his three-course menu of spicy parsnip soup, creamy pesto chicken with roasted tomatoes and a rhubarb and ginger cream

pudding, which particularly pleased them, both in flavour and presentation.

Runner-up was Charlotte Eardley, from Seavington, who made chicken and bacon salad with a honey and mustard sauce, cottage pie with carrots and broccoli, and apple crumble with vanilla ice cream. Third place went to Emily Singleton, from Ilminster, and the other entrants were Gudran Wood, from Ilmin-

ster, and Brandon Turner, Sarah Keylock, Georgia Lennox and Lily Limmer, all from Crewkerne.

Held as usual at Wadham School, the contest was on a Friday rather than Saturday for the first time, which sadly meant that last year's runner-up and winner of 2011, Sam Clarke, was unable to take part as it clashed with his exam. However, Sam is hoping to return in 2014.

Now in its seventh year at the school, the popularity of the competition has grown so much that too many students asked to take part this time and a preliminary round had to be held in which headteacher David Derbyshire had the job of choosing the best nine menus to proceed to the cook off.

With Sam out of the running at the last minute, the eight remaining young chefs had two and a half hours to prepare, cook and present a three-course meal on a laid table with their menu.

The three judges, Maureen Fasan of the White Lion Carvery, Kath Kers-

ley of the Admiral Hood and catering lecturer Mandy Charles, watched the entire process as well as tasting the result. Marks were given on technique and hygiene as well as presentation and flavour.

Mrs Kersley said that the judges all agreed it was very nice to see young people trying to cook and, in encouraging the aspiring chefs to season their food, she explained that salt in particular had been painted as so unhealthy it was being left out too much. She advised that salting food at the table never had the same result and they should always keep tasting as they cooked.

As a general note for the future, Mrs Kersley pointed out that the food should have come out in order of courses, to help them get used to having to organise their timings and that the table should be laid with what was needed by the diner. The young chefs had brought the food out as it was ready, which meant the main course, and in some cases the desserts, were on the table before the starter making

the judges taste testing more confusing.

President of the Crewkerne Rotary Club, Derek Phoenix, presented the certificates to all the chefs and organiser, Rotarian Anthony Warren, and congratulated them all on their hard work. He particularly commended the contestants on the way they all helped each other in the kitchen, especially offering aid to Sarah who was on crutches and had to be given extra time to complete her courses.

From Elizabeth I to Michael Jackson,

WHILST other children stayed at home having a snow day, the little ones at Haselbury Plucknett First School had a lighter dusting to deal with and were able to dress up for their history day as scheduled.

Headteacher Gillian Evans was very impressed with the commitment of her pupils, who had gone

By Marion Draper

to great lengths to represent different periods of history as best they could.

The children's costumes ranged from some of the earliest historical figures to more modern characters, including Mark Anthony and Cleopatra, Mary with Jesus, Richard

the Lionheart, William Wallace, Joan of Arc, the Tudors, Elizabeth I, Dick Turpin, Florence Nightingale, Marie Curie, Queen Victoria and great men such as Isambard Kingdom Brunel and Charles Darwin.

Modern costumes in-

cluded W.G. Grace, Churchill and Earnest Shackleton through to Michael Jackson and Steve Irwin.

The children enjoyed bringing their study books alive by dressing up and it was a great way to remember the chronology of some of history's most famous characters and more modern heroes.

■ GETTING IT RIGHT: The whole school line up in chronological order

■ PIONEERING WOMEN: Marie Curie and Florence Nightingale

■ THE VICTORIANS: Queen Victoria, Brunel, Darwin and Ernest Shackleton

Ebony needs new wheels

by Marion Draper

NO ONE in their twenties expect to find they are growing again but for Paralympic hopeful, Ebony Court, the discovery that she had grown taller in the last six month has spelt potential disaster for her wheelchair racing.

Still working hard towards her dream, the athlete has two more major races to complete to see her taking part in her first big international event, the Swiss Wheelchair Racing Nationals in May.

By then she hopes to have raised enough money to have a new racing chair made.

Ebony, who has cerebral palsy affecting her hips, has to sit in her chair in a kneeling position with her feet facing back. The unexpected extra height has meant she has now out grown her racing chair, which is only two years old, and is in danger of cutting off the circulation to her legs when using it.

Ebony's fundraising goal is £2,500 for a new bespoke racing chair, money towards travelling for training and equipment. She also needs a light weight day chair as she does seated discus and javelin as well as racing and needs more freedom of movement. Although she can stand and walk, she can only do so for short periods.

■ **DETERMINED TO GET THERE:** Ebony Court, too tall for her special racing chair

Still backed by people of Merriott, in particular the Kings Head public house which launched the Ebony's Wheels campaign, she has some serious fundraising to get going in between her rigorous training, job hunting and volunteer work at the Red Cross shop in

Crewkerne.

To qualify for the international event on May 25th-26th in Pratteln, representing the University of Warwick Wheelchair Racing Academy, she first has to win at the British Wheelchair Athletics Association Grand Prix at Stoke Mandeville on

April 27th and the British Wheelchair Racing Association Nationals held at Stoke Mandeville in May. If you would like to help Ebony with her fundraising, she can be contacted via the Facebook page, Ebony's wheels.

Business growth seminar

BUSINESS owners in Somerset are being encouraged to sign up for a new government-backed service intended to promote business growth through coaching and management training.

A free breakfast seminar will be held at Yeovil Innovation Centre from 8am to 9.30am on Tuesday, February 19th, where ambitious small and medium sized businesses can find out more about the benefits and support available to them through the national GrowthAccelerator service.

Jointly hosted by GrowthAccelerator, Yeovil Innovation Centre and Sandler Training Wessex, the event speakers will explain the initial assessment process, the training areas covered and the match funding available.

There will also be an opportunity

to hear from companies already benefiting from the service about the difference it has made to them, as well as time to network with fellow business leaders.

GrowthAccelerator is run by some of the country's top business growth specialists, who provide the know-how and ability to help SMEs achieve rapid, sustainable growth. It is open to registered UK businesses with less than 250 full-time employees and an annual turnover of under £40million.

Following an initial assessment, each business is matched with a suitable expert who helps them to understand their true potential for growth, set achievable business development goals and overcome any barriers holding them back. The growth specialist will assist in formulating a business growth plan for the com-

pany, providing access to one-to-one coaching and leadership and management training.

Rhona Hope, the programme's leadership specialist for the south west, said: "GrowthAccelerator is a fantastic offer for high growth potential businesses - we have a vast array of excellent coaches who have experienced the pain of growing a business. The leadership matched funding is the 'icing on the cake', offering up to £2,000 of matched funding to each and every senior manager within the business with no upper limit."

To find out more about the breakfast event, call Alistair Powell at Sandler Training, Wessex on 01935 315006, or you can register your attendance at <http://growacc.eventbrite.co.uk>

If you have a news story or a photo for Crewkerne, Chard, Ilminster or surrounding villages please call Marion Draper on 07771641506 or email marionsview@aol.com

It's been 50 years of panto for

LAST year's pantomime season saw Chard Amateur Theatre Society celebrating 60 years as a group and, this year, they were marking 50 years of performing pantomimes with the all-time favourite fairy tale "Cinderella" at the Guildhall.

Colourful scenery and extra characters added to this rendition of the tale

By Marion Draper

by Doreen Moger, produced by Lorraine Marshall.

The show not only had the Fairy Godmother (Jeanne Sterland) to transform Cinders into a princess but Wizardess Wombat (Ch'aime Forster) who came to measure up for the car-

riage. Both characters were summoned by Pixie Nora (Kira Bellamy) who, throughout the story, literally pricked the conscience of the ugly sisters and evil stepmother with a giant pin every time they gave Cinderella a hard time.

Bouncy Buttons was

played by Luke Marshall, who once again showed the audience his great singing talent and stole everyone's hearts - except the one he wanted, that of Cinderella, played by the elegant Anna King, who usually stays behind the scenes as choreographer.

The Sisters Plain and Purl (Angie Davies and Debbie Hilton) were a matched pair and a real hoot with their outrageous colours, childish tantrums and very funny "strip". The role of their mother, Evillia Belching-Forth, was taken on by Jenny Kenton, who played to the hilt how much she favoured her own girls over her stepdaughter and won many boos from the audience.

Pick and Mix the burglars (Grant Davies and Andrew Helbert) were a comical pair, popping up in odd places with corny jokes and nonsense to help keep things moving between scenes, and even being recruited as the footmen for the coach.

Prince Charming was

Mandy Cameron-Taylor, getting her legs out for a second year as Principle Boy and reaching the high notes despite fighting a cold. The Prince's oppo Dandini (Katie Hawes) had a real job coping with the over-attentive sisters after they had already mugged the very sparkly Major Domo

(Steve Warick) on entering the ballroom.

Younger members of the group, known as the CATS Kittens and Sphynx, did a great job coming on in various guises, from mice to fairies, villagers and ball-goers.

There was plenty of audience participation in this one, the usual hiss-

ing, booing and cheers, plus a rendition of "I'm Little Teapot" for which the Mayor and High Sheriff were brought to the stage at the Friday night show.

The cast did a great job, ably supported by an efficient backstage team and technical crew and, as always, a good band led by

musical director Bill Case.

There was a retiring collection after the show in aid of Ataxia-telangiectasia, or A-T, which is a rare genetic disease that attacks children, causing progressive loss of muscle control, immune system problems, and a high rate of cancer.

■ SO BEAUTIFUL: Baroness Evillia Belching-Forth (Jenny Kenton) admires her two daughters

■ OPENING SONG: The CATS Kittens perform in the chorus on stage at the Guildhall

■ YOU SHALL GO: Cinderella in her carriage with Pick and Mix as footmen

■ HAPPY EVER AFTER: The finale of Cinderella by Chard Amateur Theatre Society

Fostering? I highly recommend it, says great grandmother

HESTER and Larry Macey, who now live in Winsham, adopted two children in the early 1970s when they lived in Crewkerne.

When they were told they couldn't adopt a third, they began fostering, touching the lives of a total of 20 children over the years.

Hester was always involved in the community, even being a town councillor for a while.

As their own two came of an age to leave home, it seemed a natural progression to stop but in retirement, with two great grand-children, Hester still keeps a stock of books and toys for little visitors.

She said: "I was in the Red Cross and ran the cadets for a while, Mrs Fisher from the sweet shop in North Street was there and she talked about fostering."

"Larry was an intercontinental lorry driver, he was away a lot and we had a three storey house in Hermitage Street which we rattled around in like peas in a tin, so I filled it full of children."

"A friend once said the house had an atmosphere that felt like you could just drop children there and they would be safe."

"There were recesses either side of the fireplace and to the left there was a big cupboard full of toys for the children to help themselves, but they always knew they had to put them away."

"They were good days and for anyone teetering on the edge of whether to foster, I highly recommend it."

"It is a lot of hard work because all the children come to you damaged in some way, they have been torn from everything they know, but the rewards are so great. To see that child progress and integrate, is just wonderful. If I was younger, I'd do it again now."

by Marion Draper

"When the children were small I had a wardrobe full of clothes of various sizes, I made all the girl's dresses and boy's pyjamas and knitted endless woollies, you had to you couldn't afford to buy everything. The funding from the council was very poor in those days - to be honest it probably kept us poor - especially at Christmas but we did it for love, not money."

"The finances are very different now, I have a friend whose daughter fosters and she gets her expenses covered."

COMMUNITY SPIRIT

"Crewkerne people were very good, Jack Cornelius at the toyshop would let me put money aside with him to save up and if there was something a little bit shop soiled he would let me have cheaper."

Charlie Sparks, the greengrocer down the road, on a Friday night would leave a box of fruit and veg on the doorstep, stuff he knew wouldn't keep past the weekend. I would turn up at Key Markets with three kids in the pushchair and one either side of me. Someone would always deliver the groceries up the hill for me. There was a community spirit that's just not there anymore."

"My mother and mother-in-law both worked in Van Heusen, and used to bring me big pieces of waste fabric that I could use to make clothes. Once when I needed some white fabric for cot blankets, and the manager heard, they actually delivered some to me in the van."

"I was strict but not in a bad way, pocket money was very limited and they all had to do chores like take turns at washing up and the bigger ones had to keep their rooms tidy and

pack toys away but I never expected them to do cleaning and that kind of thing."

"We always ate at table, there is logic in that because the mess was always in one place and that's when we would always talk through any problems as a family."

"Crisps and sweets were limited but we always had fresh fruit around and I baked a lot with the children. Before they left me, I made sure all the teens knew how to wash and press their clothes, sew on a button, how to get a meal and vacuum their room."

One of them said to me recently, she still makes my Easer biscuits."

"We had a living room with a TV and a dining room. I had it rigged so I could pull the TV aerial out from the dining room if they didn't come when called for meals."

"I had a shirt cutter's ruler along the lintel but never ever took it down, it was enough they knew it was there, tone of voice was all that was needed."

"I found having a crowd of children made them better behaved because they always had someone to play with but I did make play dough and played endless board games and card games."

"I can see four of them now standing in the kitchen with damp paper on plates, sowing cress, and we would plant runner beans in jars with damp cardboard tubes."

"The important thing is to give them time and love and you should always listen to what they have to say - children's minds are so different to ours."

● Anyone considering fostering can find out how to make a difference to a child's life at www.barnardos.org.uk/fosteringandadoption or www.fosteringinsomerset.org.uk/

What's Happening at Ilminster Arts Centre

by Sara Loveridge

A GREAT day was had by all at our **Grand Re-opening** last month and we are thankful for support, not only from IAC staff, volunteers and visitors but NatWest Community Force, Gooch Charitable Trust, and South Somerset District Council whose generous financial help enabled us to carry out much-needed refurbishment works over Christmas. We are also grateful to Branston who have sponsored our Annual Open Prize for the past few years, and the South Somerset Embroiderer's Guild for the beautifully hand-crafted pennants. We were pleased to welcome representatives from all organisations on the day, and the Mayor of Ilminster Roger Swann who unveiled and accepted the pennants on behalf of the town. The pennants will be on permanent display and there is still time to view the **2012 Annual Open Prize Winners' Exhibition** until 2nd (Saturday). Why not pick up an entry form for the Annual Open 2013 on your next visit?

Schools Go Visual in the galleries from 5th-16th, when students from Wadham, Swanmead and Greenfyld schools present a range of work, developed during their creative lessons.

Returning to the town of its birth over 40 years ago, **Artists303** members will show work of distinction from 19th (until 8th March).

We have some great **Half Term Children's Activities** lined up including: **The Art Trolley** on

11th and 12th, and a Valentine's-themed **Willow Hearts Workshop** on 13th. Bookings are also being taken for **Easter Holiday Workshops**.

Places are filling up on our adult workshops. As well as regular favourites we also have a selection of new artist-led workshops including: **Acrylic Painting** starting 7th and **Willow Garlands and Hearts** on 9th.

Concerts in the West present **Music by Handel and Britten** on 8th, and we are pleased to welcome back the ever-popular **Mike Denham** and his **Speakeasy with Chris Garrick** on 15th.

The first **Local Craft and Produce Market** of the year takes place on 2nd, while our series of **Antiques and Vintage Collectables Fairs** continue on 23rd.

Get your brain into gear with our fundraising **Quiz Night** on 22nd, and make a date in your diary for **Flying Folk** on 1st March. Four separate folk duos will be showcasing some of the finest original and contemporary folk from across the West Country in what promises to be a night of music to make you think and feel.

Tickets on sale for rockin' new season at The Barn

Featuring primarily world famous Electric and Acoustic Rhythm and Blues and Rock acts plus the very best tributes, The Barn at the Square+Compass was established in May 2003 and is now entering its ninth year. The relatively intimate atmosphere of the

venue has a reputation for presenting national and world class acts that normally play large Theatres and Festivals. Food is available from 7pm in the Pub and a Sunday carvery is now available to book. The new season line up kicks off on Friday, February

8th, and sees a fantastic show with the reformed **Slim Chance**, Ronnie Lanes old band. For a glorious look at Ronnies career and the start of Slim Chance check out the 'Passing Show' DVD, re-telling the Ronnie lane saga with all the 70s legends. Ronnie Lane,

renowned for his part in both the Small Faces and the Faces, wrote some of the most heartfelt and haunting songs of the 60s and 70s.

When the Faces broke up, Ronnie went back to his roots playing pubs and toured circus-style with his band *Slim Chance*, and the spirit of those times has been lovingly recreated by a latter-day version, with some Gypsy leanings and a sprinkling of Motown grooviness.

Now *Slim Chance* is treading the boards again. Ronnie always jokingly claimed that he found the musicians for Slim Chance in the pages of Exchange and Mart. In 2010 Charlie Hart and Steve Simpson trawled the streets of South London and miraculously found three more ex-Slim Chancers who were all keen to sign up again to the quest for Ronnie's musical holy grail. Original members Charlie Hart, Colin Davey, Steve Bingham, Steve Simpson and Alun Davies have been described as '64 carat gold musicians', and they have recently released a well-received retrospective CD, 'The Show-Goes On' featuring their guests Geraint Watkins and Nick Pentelow, playing Ronnie's timeless material.

The reborn Slim Chance deliver a dynamic and entertaining show, celebrating the range of Ronnie Lane's later music. Slim Chance feature numbers such as Kuschty Rye, The Poacher, How Come, Flags and Banners and Ooh La La presented in a style gloriously true to the genius of Ronnie Lane. The line-up has gelled into a fine band and become a powerful entity in its own right. It's no surprise that festivals are now turning to Slim Chance as they represent good-time music at its very best and A great night out for everyone!

...

A celebratory birthday gig for Promoter Dave Saunders takes place on Saturday, February 16th with the appearance of his old band the **Rolling Drunks!**

They said it could never happen, but almost-legendary rockin' blues masters The Rolling Drunks are reforming for this one Somerset gig! The Dorset band tore up the local live music scene in the late 1980s and early 1990s before succumbing to the demands of growing up, mortgages and model citizenship. With their (literally) incendiary blend of superfast R&B, lager and lighter fuel, they released two cassette albums, a series of t-shirts and all manner of on-stage shenanigans, supporting the likes of the Fine Young Cannibals, Small Faces/Humble Pie singer Steve Marriott and Groundhogs' leader Tony McPhee, played at Colne and Burnley blues festivals and took Germany by storm along the way.

With the original line up scattered to the four corners of the country - and Japan - organising the re-union was no mean feat, but harpist and main mood generator Carl Wilson persevered.

"I've got a big birthday that weekend and couldn't think of anything better to do than get the Drunks back together, so we met up and nobody flinched, had a couple of rehearsals and we're ready to go," he says. "It's probably all downhill from here - a Rolling Drunk gathers no moss and all that!"

Carl will be joined by original singer/guitarist Simon Clay, drummer Simon Lyne and keyboardist Chris Tetley, with bassist Dave Saunders. "It's Dave's birthday that weekend as well, as well as managing us he became our second or third bassist - the Drunks' bassist was always a bit like the Spinal Tap drummer, we got through a few! he's now playing and touring with The Producers and quite famous in the blues world" says Carl.

The band's actual birthday is lost in the mists of time, but Carl remembers: "We got a band together, but exactly when that was I've no idea - we just worked out the band must be 25 years old, half the Rolling Stones' age!"

If you like the energy of the early Feelgoods, Stones, Eddie + the HotRods, rave era Yardbirds and manic British R'n'B - this is the band for you!

Tickets are on sale now.

MOST of you know that Valentine's Day is supposed to be a day to declare your love. It is the holiday that sells the most the greeting cards with the exception of Christmas and it is also a holiday where gifts of chocolates, and flowers are freely and not so freely given as tokens of affection. Here are a few fact's about Valentine's day you may not know...

1. In reality, there were actually 3 St. Valentine's. One was a priest, one a bishop and one little is known about except he was a martyr. The stories of the priest's and bishop's martyrdom are so closely related it is difficult to tell which St. Valentine the Holiday is named after.

2. According to legend it was St. Valentine himself who sent the first valentine in the form of a letter to his jailer's blind daughter with whom he had fallen in love. Just before he was put to death at the hands of King Claudius II for marrying the king's soldiers without the king's permission he penned a note to his love and signed it: From your Valentine.

3. It is believed that a mount Holyoke college student by the name of Ester Howland created the first lace valentine in the United States from lace, ribbon and colorful pictures. She has become known as the Mother of the Valentine.

4. Teachers receive more valentine cards than anyone else, even children.

5. More than 650 million valentine cards are exchanged by children from ages 6-10 each year. Most of these cards are bought in the last 6 days leading up to Valentine's day.

6. Each year the city of Verona Italy receives more than 1000 valentine's addressed to Shakespeare's Juliet. It really is amazing how much af-

fection a dead fictional character can attract.

7. It was once believed that if a woman saw a flying robin on Valentine's day she would end up getting married to a sailor. If a sparrow was the bird she saw she would end up marrying a man that was poor and live a happy life, if she saw a goldfinch then she was to marry a man that was a millionaire. One can only wonder who she would marry if she saw a crow.

8. In 1929 at the height of prohibition Al Capone ordered the killing of members of a rival gang run by Bugs Moran in Chicago on Valentine's Day. Authorities were unable to find any real evidence to tie Capone to the crime and he was never arrested or tried for the murder of these seven men. Instead he served his time for tax evasion.

9. More than 9 million pet owners buy gifts for their pets for Valentine's day. Now that is what can be called real puppy love.

10. It is estimated that 15% of the women in the United States who receive flowers for Valentine's day send them to themselves. There are no figures that tell how many of these women are married, single or in a relationship.

More than 1,000 projects compete for first Lexus Design Award

- Lexus Design Award receives 1,243 project entries
- Ten finalists to be announced by end of February
- Winning entries to be displayed at this year's Milan Design Week in April

THE FIRST Lexus Design Award has attracted strong interest from around the world, with more than 2,100 initial registrations leading to 1,243 projects being submitted by the closing date for entries. These were mainly from product design (50 per cent) and architecture (30 per cent), with the balance from diverse fields including graphic design, interior design, fashion, film and TV.

The award, which this year takes "motion" as its theme, has achieved an excellent global reach, with 44 per cent of registrations from Europe, 32 per cent from Asia and 20 per cent from the USA.

Announced in October 2012, the Lexus Design Award is an international competition for designers across a wide spectrum of creative disciplines. Lexus aims to use the competition to nurture creativity and support designers around the world; more

AWARD**

details are available at www.lexus-global.com/design/lda.

A jury of six experts will select 10 finalists, to be announced by the end of February. Two of these will be given the chance to work with world-famous designers who will oversee the creation of their prototypes: product designer Sam Hecht and architect Junya Ishigami. As well as working with their mentors, they will also receive financial support to cover prototype and production costs.

All the finalists will be invited to present their work at Milan Design Week 2013 in April. The two full prototypes and panel displays of the other eight finalists' work will be put on public show in the Lexus exhibition halls.

More details about Lexus's involvement in this year's Milan Design Week will be announced on 5 February.

Vauxhall adds potent new BiTurbo engine to Zafira Tourer range

- Powerful 2.0-litre 195PS BiTurbo diesel engine
- Flagship diesel broadens Zafira Tourer engine portfolio
- Priced from £27,685 on-the-road
- Available to order now with first deliveries in spring

FOLLOWING in the tyre tracks of the Astra and Insignia BiTurbo models, Vauxhall has introduced state-of-the-art, sequential twin-turbo diesel technology to the Zafira Tourer range.

Powered by 2.0-litre 195PS diesel engine, the Zafira Tourer BiTurbo has a maximum speed of 135mph and can achieve 0-60mph in just 8.5 seconds, making it one of the fastest diesel-powered, seven-seat MPVs on the market. Start/Stop technology also helps the BiTurbo achieve an impressive combined fuel economy figure of just 50.4mpg

and CO2 emissions of 149g/km.

Sophisticated sequential BiTurbo technology provides a high power output, an instantaneous throttle response and extraordinary pulling power from a wide torque plateau. It expands the Zafira Tourer's broad powertrain offer which now comprises four diesel and two petrol engines.

The Zafira Tourer BiTurbo is available in either SE, SRI or Elite trims with a range of options including FlexRide adaptive chassis control system, AFL adaptive forward lighting system and a panoramic wind-screen which floods the cabin with natural light.

Extra flexibility inside the Zafira Tourer is provided by the new generation Flex7 seating

system, including the unique lounge seating functionality which gives passengers an unprecedented amount of

space in the second row.

Available to order now with prices starting from £27,685 on-the-road, the first Zafira Tourer BiTurbo models will arrive in showrooms in spring 2013.

"Vauxhall is currently the only manufacturer to offer a sophisticated

BiTurbo engine on a seven-seat MPV," said Duncan Aldred, Vauxhall's Chairman and Managing Director. "It provides a perfect blend of high performance, impressive fuel economy and premium class quality in a seven-seat layout."

11th year on top for Mini at the BusinessCar Awards

MINI has once again reinforced its position as the car to beat after BusinessCar Magazine named the MINI Hatch 'Supermini of the Year' for the 11th consecutive year at their annual awards.

The BusinessCar Awards are the only honours in the company car and van industry that are solely voted for by the readership, which makes them the most influential in the business car arena. MINI continued to impress readers, with the it's unique combination of great design, low running costs, low CO2 emissions and exceptionally strong residual values contributing to its repeated success.

"MINI's combination of brand prestige and fun-to-drive character with efficiency and residual values that lead to unbeatable running costs mean it's no surprise that the car has now held onto BusinessCar's Supermini of the Year award for an 11th year," said BusinessCar Editor Paul Barker. "It's a huge achievement, and illustrates the massive appeal in the corporate sector for a car with the qualities that the business car market relies on."

Efficiency has never been more important for business customers, and MINI has continued to lead innovation some 11 years after first winning BusinessCar's Supermini of the Year award. MINI's acclaimed MINIMALISM tech-

nologies are fitted as standard on Cooper, Cooper D, Cooper S, Cooper SD and John Cooper Works models, employing a host of fuel-saving and emission-lowering technologies. Brake Energy Regeneration, Auto Start-Stop, Gearshift Indicator and Electromechanical Power Steering are among the key MINIMALISM technologies, ensuring CO2 emissions on the MINI Hatch start from just 99g/km on the MINI Cooper D.

The 11th BusinessCar accolade comes as MINI prepares to celebrate another milestone this year, with 100 years of continuous car production at the brand's historic Oxford production plant in March. The MINI Plant has been producing the award winning MINI since 2001, prior to which an array of vehicles were built in the preceding 88 years.

Ford recognised for outstanding achievement in low carbon transport

FORD'S long-term commitment to lowering carbon emissions has been recognised by an award from the Low Carbon Vehicle Partnership (LowCVP) commending Ford for outstanding achievement in low carbon transport over the last 10 years.

The LowCVP aims to accelerate a sustainable shift to low carbon vehicles and fuels in the UK and thereby stimulate opportunities for UK businesses, and the annual awards are designed to identify and promote examples of outstanding and innovative practice in this field.

The special award recognising Ford's achievement was presented to Simon Palmer, Ford Chief Engineer, at the 2012 awards at an event celebrating the LowCVP's 10th Anniversary at the Institution of Mechanical Engineers in London.

Simon Palmer said: "This award

recognises the scale of Ford's investment in powertrain engineering and manufacturing in the UK and the significant contribution Ford has been able to make in lowering carbon emissions."

Andy Eastlake, the Low CVP Managing Director and judge said: "As the UK market leader in passenger cars, Ford has arguably had the biggest impact on cutting overall emissions of carbon from road transport. The continuous im-

provement in combustion engines in the volume market is achieved through long term commitment and hard graft. The carbon credentials and success of the latest Ford cars show just what can be achieved."

ON THE SPOT...

WEEKENDER SPORT puts MISTERTON'S CRAIG STUDLEY UNDER THE SPOTLIGHT

Q How long have you been involved in local football? who have you played for?

A I've been involved in local football for 15 years, starting at my village club Drimpton, then moving to Misterton for a successful five season spell before briefly moving to Perry Street for one season 2011/12. I then returned to 'Missy' this season.

Q Who are the best three players you have played alongside and why?

A Richards - he wins everything in the air and gets his fair share of goals for a midfielder. Ade Phillips - when I first started out at Drimpton, great ability on the ball and could pick a pass from anywhere. And finally my Dad Pete Studley, he had two seasons at Drimpton at the back end of his career, one of the league's all-time leading scorers with 500+ goals.

Q What is your favourite away ground?

A My favourite away ground would have to be Barrington, they have an excellent playing surface that suits the way we (Misterton) try to play.

Q Do any games or incidents stick out in your memory?

A An incident that will live long in my memory is the great 42-game unbeaten run we went on 2007-2009 at Misterton that saw us win two trebles and reach the Premier division - without doubt the strongest team I have ever played in, and a great bunch of lads.

Q How would you improve things at Misterton?

A By installing an astro-turf pitch which would improve training facilities. The space is available, in fact I think plans are in place for this year.

Q Name some young players we should look out for in the future.

A We are lucky to have a crop of youngsters coming through at Misterton this year. Look out for Dan Peach and Steve Taylor they both have bright futures.

rugby round-up and preview

Chard mourn ex-Chairman

PHIL COOK
THE great sadness at the sudden and untimely death of Phil Cook at the weekend will be felt far beyond the boundaries of the Chard Rugby Club

Phil had a great love of the game and, apart from his local involvement, was a season ticket holder at both the Bath and Exeter clubs.

A man of very considerable energies, both inside and outside rugby, his professional background was in accountancy and this, together with very considerable organisational ability, made him a very useful man for any club to have in its ranks.

His initial involvement with the Chard club was through the Mini rugby section, which he joined to, as he put it, "Put something back", but this involvement increased with the years and ended formally last year, after a five year stint as chairman.

He was a person who tended to beaver away in the background and oversaw such projects as the club's incorporation, and the schools liaison project, the latter via the County Union.

Outside of rugby he was the managing director and chief executive of the Warren Trust at Combe Farm, and his passing will leave a big gap, with massive shoes needing to be filled, both as regards the local rugby scene, and far beyond it. **Keith Jenkin**

CHARD 1st XV's scheduled home game against Clevedon was postponed due to a waterlogged pitch.

SOMERSET DIVISION ONE
CHARD arrived at Yatton to find the pitch in remarkably good condition after the recent snowfall which, according to the locals, was a direct result of a big investment made on the pitch a few years ago **writes Glyn Hughes.**

The first-half was fairly even in terms of the scoreline but Chard had the majority of the play but 'teflon' hands were to let them down time after time.

Chard were very strong in the forwards with the Biss brothers, Luke Aplin, Ben Robinson, Nick Moulard and Max Gosden all making major contributions.

These very promising youngsters were particularly impressive in the set scrums and provided the backs with a lot of ball.

Shortly before half-time the ball went out wide and full-back Ben

King, making his first appearance for several weeks, crashed over in the right hand corner. The conversion hit the posts so Chard led 5-0 at the break.

Chard started the second-half well and another very promising youngster Henry Payne scored try number two which was converted to put Chard 12 points clear.

The visitors increased their lead even further when Douglas Neil broke through the middle to score under the posts.

Yatton could have given up at this point but they continued to tackle well and were a competitive unit throughout.

David Biss crossed for Chard's fourth and bonus point try and then Gosden got on the score sheet with try number five.

Chard played more as a collective unit in the second-half and it showed. The hosts however had the final say with two well deserved late tries.

This very young Chard side show a lot of promise and several of the players on show would certainly not let the senior side down if they were needed.

CHARD won this local derby comfortably enough to maintain 2nd place in the division.

The thoughts of everybody associated with Chard Rugby Club are with the family of Philip Cook at this very sad and difficult time.

The first loss of the season!

Cheddar 21 Crewkerne 1st XV 7
SOMERSET DIVISION TWO (SOUTH)
IN heavy conditions at Sharpham Road the early exchanges resulted in a spate knock-on's and the start of a scrum fest.

Crewkerne, despite missing four regulars, found their pack in dominant form pushing Cheddar back off the ball and forcing them from the five metre line and almost over the line where Cheddar collapsed the scrum. But strangely no penalty try was awarded.

The ball was reset, the hosts defence held firm and a war of attrition began.

Cheddar then made good ball in the loose and they capitalised when centre Rob North ran in a try that was duly converted.

Crewkerne continued to attack. More handling errors from both sides brought yet more scrums with the visitors still being the dominant force at the set-piece but failing to convert possession into points.

But Cheddar once again capitalised on a lapse in the visitors' concentration and winger Bobby Hewlett ran in another try.

The introduction of players from Hornets helped Cheddar's forwards

and supported their impressive backline.

However, the Crew pack punched holes and supported well and made their way into the Cheddar 22 with a dynamic maul that saw Lock Ben Chapman cross the line with Emyln Kuhn adding the extras to make the half-time score Cheddar 14 Crewkerne 7.

After the restart Crew winger Huw Edwards thought he had touched down over the line only to be denied by the referee who thought people were calling him when the instructions were "Left, go left!" not "Ref Ref!"

This cost Crewkerne vital points and perhaps the momentum the team needed.

In the 68th minute the visitors were reduced to 14 men when fall back Bobby Phillips was shown a yellow card for an off the ball incident.

Exchanges from both sides yielded no ground as depleted Crewkerne held firm only for a kick into space result in a very soft converted try for North to complete the scoring.

Both sides knew they had just played the hardest game that either will face all season.

GLOVERS IN FOCUS

More faces than the town hall clock!

BY STUART BROOM

Yeovil Town 2 MK Dons 1
MPower League One - ATT: 3,152

A FORMER colleague of mine in my previous job was described as having "More faces than the town hall clock" such was the facade he gave to whoever he was speaking.

Last Saturday evening we all watched MK Dons Karl Robinson on television rightly bask in the glory of having beaten Harry Redknapp's Premiership side Queens Park Rangers at Loftus Road in the FA Cup.

Backslapping and smiles were the order of the day.

Robinson, who never really made the grade as a footballer, but became the youngest ever person to manage a Football League club when he took over as Dons boss in May 2010 at the age of 32, lavished praise on his

charges and soaked up the adulation.

Three days later at Huish Park he showed another face as he remonstrated with referee Mike Russell and the fourth official about the sending off of his defender Anthony Kay.

A big man; bigger than his assistant Mick Harford who is 6ft 4in; he harangued the officials with venom.

He was joined by a number of his team including someone in an effeminate pink and white hat who turned out to be Alan Smith the former Manchester United and England player.

He had already spent most of the match shouting and winding up the players with comments before turning on the officials.

Robinson was quoted in *The Sun* as saying: "This memory will stay with me for years.

"I am 32 and have a lot to learn but, in years to come, I'll remember that we were clapped off at Loftus Road after beating a team managed by Harry Redknapp."

By his own admission he has a lot to learn. Perhaps he might like to reflect on this match and learn how to act with dignity rather than a bunch of spoilt schoolboys in the future!

Unfortunately, referee Phillips had made a rod for his own back with an inept display that spoiled what should, and could, have been a good game.

He was not helped I must say by an assistant who missed so many decisions, particularly offside, you wonder how they ever made the grade.

I note they never identify the assistants by the colour of their flag on the team sheet anymore; I wonder why?

Kay quite rightly deserved his red card after throwing Paddy Madden to the ground as he tried to get up and join in an attack.

He was lucky to have survived so long having deliberately thumped Ed Upson in the back as he sprinted clear for which he did not receive words, let alone a caution from Phillips.

As it was Yeovil who were by far the better side quite rightly deserved to take the points.

superbly taken goals

Madden showed that he is a more than adequate replacement for Dean Bowditch with two more superbly taken goals.

The first, finishing off a glorious team move down the right by tucking home Kevin Dawson's cross with aplomb, before showing his versatility by heading

home Upson's cross at the far post for his 13th goal in just 17 appearances for the Glovers.

Unfortunately the Glovers had given the visitors hope by conceding a poor goal; Kay left unmarked to head home from a corner to square the match before the break; but overall they were the superior side with Bowditch hardly having a kick all game.

One of Yeovil's strengths is the way they close players down all over the pitch, and there will be fewer teams that can match their energy.

There is another difficult task on Saturday when Brentford visit Huish Park.

The Bees are currently fourth and fresh from their epic cup achievement in holding European Cup Winners Chelsea to a draw last weekend in the FA Cup.

Somerset
Senior footballRobins still
well placed

AS expected the weather cut another swathe through the local football scene with Chard Town, Ilminster Town and Combe St Nicholas all postponed while Chard Town Reserves had no scheduled fixture **WRITES HOWARD LARCOMBE.**

In the four games that were played on Saturday in the Toolstation Western league division one there was one result which have benefited **Chard Town's** promotion campaign. Rivals **Corsham Town** were surprisingly held to a 3-3 draw with lowly **Warminster Town**.

The other three games went with form with leaders **Hengrove Athletic** extending their lead at the top to seven points with a narrow 1-0 win at **Calne** who slip a place to fifth as a result.

There was more good news for the **Robins** from the only game played on Tuesday, with **Corsham** again being held, this time 2-2 at bottom-of-the-table **Devizes Town**.

A full-strength **Chard Town XI** did at least have a friendly run-out on the '3G' synthetic rubber all-weather pitch at Yeovil where, courtesy of a last minute winner, they beat reigning **Perry Street League** champions **Lyme Regis** 4-3.

Tomorrow the **Robins** will hope to be back in action on grass when they travel to **Bristol** to face **Oldland Abbotonians**.

Chard won the reverse fixture 3-1 at **Zembar Lane** back in October.

Squad: J. SMITH, A. FRICKER, L. VOIZEY, G. KNIGHT, S. SPURWAY, M. SCOTT, R. POWELL, D. CLEAL, R. HEDDITCH, N. WARREN, A. MARTIN, L. CLEAL, T. BEN-SALEM, S. CLARK.

Over in the **Somerset League** premier division four matches were completed with **Ilminster Town** dropping a place to 12th as a result.

The **Blues** are also in action in the **Bristol area** - they visit **Penpole Lane** where seventh placed **Shirehampton** lay in wait.

Down in division two (West) **Combe St Nicholas** scheduled home game with **Wells** was postponed with the club's second and third teams both due to be in County cup action on the **Slades Cross** pitches. As it was both of these games were postponed too.

The **Saints** could have their hands full tomorrow when they visit league leaders **Congresbury** trying to end the hosts' seven game winning run.

Meanwhile **Chard Town Reserves**, still top of the **Devon & Exeter League** division one, return to action tomorrow when they welcome mid-table **Heavitree** **SU**.

WINSHAM UTD 4 CREWKERNE TOWN 0
Challenge cup quarter-final

WINSHAM United cruised through to an away semi-final against either Shepton Beauchamp or Perry Street after a convincing 4-0 win over **Crewkerne Town** at **Baker's Field**.

After a largely uneventful opening half-hour, the hosts broke the deadlock when full-back **Stuart Richards** surged onto a **Matt Brown** through ball before drilling in a low shot which **Tigers' keeper Gavin Tett** saved with his legs.

But the rebound fell for **Winsham** top-scorer **Joe Simmons** who gleefully smashed the ball into the empty net from six yards.

Either side of this the towering **Simmons** twice went close with headers before glancing another effort against the foot of the post in added time, with **Tett** beaten.

Crewkerne, missing influential centre-back **Jason Manley**, created very little in the first 45 and will have been reasonably happy to trail by just a solitary goal.

But the lead was doubled 12 minutes after the restart when midfielder **Matt Brown's** neat first touch earned him a yard of space 20 yards out which he used well to guide home a fine curling effort.

The killer third goal arrived five minutes later when **Joe Simmons' incisive** run down the left flank ended with a low cross to the near post where the waiting **Brown** skillfully flicked the ball past **Tett**.

The visitors who created very little had half a chance 17 minutes from time when **Jack Platt** crossed to substitute **Richard Crabb** who headed well.

But it was the hosts who rounded off the scoring in the last minute when substitute **Tim Break** broke through the **Tigers' back** line before calmly slotting in the bottom corner.

Phil Loaring's side thoroughly deserved their win and, with two solid and effective banks of four behind the dangerous **Simmons**, are sure to continue to challenge for honours this season.

The loss of **Manley** was a blow for **Crewkerne** who, as a result, lost **Paul McCormack** from the midfield engine room.

MCCORMACK had a fine game at centre-back but they had no answer to the hosts' dominance.

WINSHAM UNITED - Chris Scott, Shane Partridge, Stu Richards (Tim Break), Dan Isaacs, John Simmons, Gary Warren, Matt Brown, Darren Spurdle, Tom Symes, Sam Symes, Joe Simmons (Tom Stead).

CREWKERNE TOWN - Ryan Tett, Scott Barry (Ryan Tett), Ben Laver, Paul McCormack, Pete Symes, Jack Platt, Harry Charles, Jason Rendall, Dave John (Richard Crabb), Jamie Spurdle, Ed Butcher.

Strike duo **Sam Dibling** and **Callum Somers** celebrated their call ups for the **Pick-of-the-League** squad by each scoring twice.

Ben Turner, **Callum Garrett** and **Matty Lewis** chipped-in with the others for **Rise** whose manager **Kevin Turner** was impressed by new goalkeeper **Ashley Hall**.

COMBE A 1 STAPLEGROVE RES 2
CHARMOUTH'S revival continued as they knocked holders **Dowlish & Donyatt** out of the **Jack Venn** cup at **Barrs Lane**.

The visitors, on course for clinching a division two promotion slot, failed to score for the first time in 38 matches as **Charmouth** clinched a home quarter final against **Ilminster Town Colts**.

The deadlock was broken in the 34th minute when the ball was slipped through to **Simon Smyth** on his favoured left foot.

Smyth's shot hit the bar and in the ensuing melee the ball came out to **Andy Potter** whose shot was blocked by a hand.

Robins captain **Dan Rendall** stepped up calmly to put away the resulting penalty.

The second-half was just five minutes old when **Kieran Bearpark** was forced off with an ankle sprain and is likely to miss the next six weeks.

The introduction of new signing **Mike Ackerman** provided more bite to the attack but it was **Smyth** who doubled the lead following good link-up play with **Matt Pile**.

Division One

MISTERTON 2 NETHERBURY 3
MISTERTON'S year-long unbeaten league run was ended at the hands of title rivals **Netherbury** at **Unity Lane**.

Netherbury assistant manager **Paul Cuff** said: "Despite the snow and rain of last week causing havoc with the **Perry Street** fixtures, **Misterton** did a great job in getting the game to go ahead."

Netherbury took the lead in the

18th minute through **Gary Corry** who doubled the lead three minutes later.

Martin Bulman added a third after the restart but the hosts were gifted a way back into the tie when **Ricky Smith** reduced the deficit to 3-1 after as needless foul.

This gave **Misterton** re-newed hope and they kept **Netherbury** pinned in their own half for the remaining 20 minutes.

They eventually got a second from a well executed free kick from **Jason Crabb**.

Netherbury went close to making it 4-2 when a **John Kingston** shot was parried onto the post and rolled along the goal-line before hitting the other post.

Visiting 'keeper **Cuff** made several fine stops in the final five minutes as the **Ambers** clung on for an impressive victory.

Division Two

WAYTOWN HNDs 3 CHARD RANGERS 0
A 30-YARD drive from centre-back **Gary Goodall** that was tipped round the post by **Rangers' keeper Justin Mason** was the closest either side came to scoring in a goal less first-half.

The breakthrough came 10 minutes into the second-half when a **Matt Read** shot appeared to have been saved by **Mason** who then dropped the ball over the line!

The game remained tight until the last 20 minutes.

Goodall got the **Hounds' second** with a sizzling low shot after player-manager **Mark Hughes** picked him out on the edge of the area.

The third goal was very similar; **Steve White** picked out **Hughes** on the edge of the area and he laid the ball back into the path of **Goodall**, who again hit a low shot which squirmed under **Mason**.

Kev Bird was **Rangers' MoM**.

Division Three

ILMINSTER TOWN A 6 MISTERTON RES 1
MISTERTON Reserves' goals against tally rose to 65 as they were thrashed 6-1 at the **Rec**.

Ex-Barrington striker **Guy Dare** took his career tally to 302 with a double. **Mike Whitefield** (2), **Ben Brister** and **Liam Ryall** made up the **Blues' half-dozen**.

Jerry Hill, with his fifth goal in six games, had earlier given the visitors the lead.

Tomorrow's Preview

THERE are an astonishing eight different knock-out cup competitions being competed for tomorrow.

The **Somerset Junior** cup-ties have been well documented in this column for the past three weeks!

However, one change sees **Ilminster Town Reserves** agreeing to help with the fixture pile-up by taking on **Staplegrave** at **Castle School (Taunton)** tonight.

This will free-up the **Blues** for a **Challenge cup** quarter-final at home against **Millwey Rise** less than 24 hours later! Two wins could be a big ask for new manager **Sid Brown** and his team.

There are two **Arthur Gage** cup first round ties. Both **Crewkerne Town Reserves** and **South Petherton Reserves** will do well to still be in the hat after trips to **Netherbury** and **Perry Street Reserves** respectively.

The pick of tomorrow's scheduled **Daisy Hutchings Cup** last 16 ties is on the slope at **Seavington** where the league's joint top-scorers clash when **Luso-Chard** take on **Winsham United Reserves**.

Having lost just one of the previous seven encounters between the sides, and being unbeaten at home in almost a year, **Luso** could be considered slight favourites.

But **Winsham** have shown consistent form since losing their opening three games and may just edge this one.

Elsewhere, there could be a giant-killing at **Jocelyn Park**.

Division three strugglers **Chard Rangers**, on a run of eight straight defeats welcome league newcomers **Kingsbury Episcopi** who have made a solid start to life in division four.

In the **Jack Venn Cup** twice winners **Chard United** begin their quest for a third triumph with a tricky-looking trip to **Pymore**.

It's 12 games since the west Dorset team were beaten at home, a run that stretches back nearly 15 months.

Conversely, **Combe A** have won all nine of their matches away from **Slades Cross** this season.

The **Saints Bill Bailey** cup tie with **Lyme Bantams** could depend on the shoot-out between two of the division's sharpest marksmen - **Warren Gabbidon** and **Pete Peacock**.

Providing **Forton Rangers Reserves** can raise a side they should prove too strong for **Uplyme Reserves** in the **Reg Egton** cup quar-

ter-final.

The day's other cup match sees **Thorncombe Reserves** welcome **Combe B** with an away semi-final in the **Ken Hodges** cup against either **Chard Rangers Reserves** or **Shepton Beauchamp Reserves** at stake.

This should be close - four of the last five games between the pair have ended in draws.

League preview

THERE are three huge games in the **Premier** division.

Crewkerne Town will need to end a six-game winless run against opponents **Beaminster** when they face the current leaders at their **Memorial Ground** home.

South Petherton v **Lyme Regis** is always worth a look. **Pethy** have struggled this season, but with new recruits promised by manager **Gordy Childs** the **Magpies** could be about to turn the corner - what better time than against their modern-day rivals.

Elsewhere, you will get long odds on **Winsham United's** 13-month unbeaten run coming a cropper against lowly **Farway United**.

Game of the day in division one is at **Oxleaze** where **West & Middle Chinnock** take on **Forton Rangers** with a place in the top three beckoning.

◆ **League news:** With **Sid Brown** now superceding **Carl Lazenby** as **Ilminster Town Reserves' manager**, **Brown's** former position at the helm of the **Blues' A** team has been taken by **Kenny Timson** and **Matt Rowsell** who will hold the reins until the end of the season.

Meanwhile **Millwey Rise** have resigned **Terry Emmett** from **Axminster Town**.

The striker scored 34 goals as **Rise** marched to the division one title last season.
